Looking for Finance internship

About Me

A motivated student currently pursuing a Master in Management at HEC Paris with a strong academic background in strategy, mathematics, and finance. Experienced in internships within consulting and business development, with responsibilities ranging from market research to preparing reports and supporting transformation projects.

Work Experience

Jan 24-Jul 24
CANAL+ Group

Strategy & Business Development Intern

- Conducted strategic benchmarks on European streaming market trends (ARPU, churn, growth levers)
- Assessed profitability of international content production (+3 pts EBIT margin in core scenarios)

Jul 2015 - Aug 2018
WAVESTONE

Strategy & Transformation Intern

- Contributed to the design of a new performance monitoring framework (OKRs)
- Participated in weekly client meetings and synthesized action items

Jun 22-Aug 22
CABINET ALTÉIS CONSEIL

Junior Consultant Intern

- Assisted senior consultants on market entry studies for mid-cap industrial clients
